PPF AFTERCARE DISCUSSION CHECKLIST

Keep the named product instructions with this checklist.

[ ] Keep the exact product name, invoice and handover date together.
[ ] Follow the named product's first-wash and regular-care instructions.
[ ] Ask which cleaning products and methods are suitable for the chosen finish.
[ ] Record a concern with photographs before attempting a repair.
[ ] Contact the installer about an edge, lifting area or unfamiliar change.
[ ] Check warranty and support terms before authorising removal or replacement.
